

Credit Card

Primary Research

August 2024

Objective

To identify the reasons why **users did not start or complete** their **HDFC credit card application** through Moneyview, focusing on barriers to initiation and submission, communication gaps, and user concerns.

Methodology

1. Qualitative: Calling Exercise
2. Quantitative: Online Survey

Target group / Sample Size

HDFC Not Started Cohort: Users who logged into Moneyview did not initiate their HDFC credit card application.

HDFC Not Submitted Cohort: Users who began their HDFC credit card application on Moneyview but did not complete the submission process.

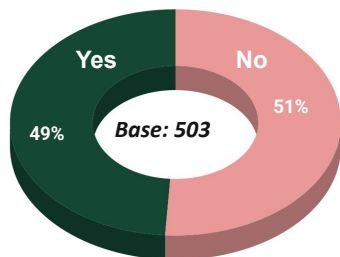

Sample Size (633); [Not Started: 503; Not Submitted: 130]
Supported by the calling exercise

Overall

Existing Credit Card Usage

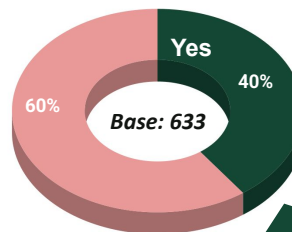

51%, reported **not receiving any communication** from Moneyview regarding credit card.

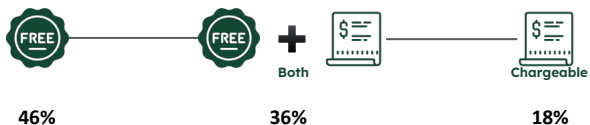

Existing Card Ownership

Do not have an existing credit card

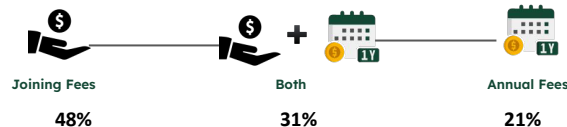

59% of users with an income above 40K have credit cards, whereas only 39% of customers with an income below 40k have an existing credit card.

Types of Credit Cards Owned

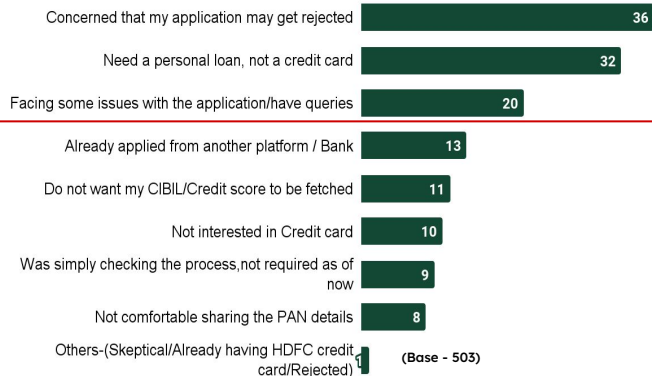

Credit Card Charges

Barriers to start Application

Reasons for not starting HDFC application

Already having an HDFC credit card/No Limit Increase

"I **already have an HDFC card**. If I applied for another, it would likely **merge with the existing one**, so I decided to leave it" -R Shabbir

Personal Preferences

"I am **looking for PL**, but when i clicked for this then after i get to know that it is CC." -GHANSHYAM KUMAR

Low CIBIL score/Chances of Rejection

"I have a **low cibil score** i thought if i apply for the card it would get **rejected** because of this I did not complete at all" -Monu Kumar

Technical Issues and Trust Concerns

"I tried three times after entering the PAN card details, but there was a **loading issue** on the page. I received a call from customer care, and they **requested a screenshot of my PAN card**. Due to trust issues, I did not share it. **I require customer support through a live video call**" -REVATHI PALANI

Perceived Ineligibility- no salary slip

"Since I **receive my salary in cash**, I thought **HDFC wouldn't issue a credit card**, so I decided to leave and did not complete the process" -MASAR KHAN IMRAN

Unfamiliarity with HDFC partnership

"I was applying for a credit card from **MV** but **suddenly got redirected to HDFC page**, so I had some reservations" -Shaikh Faizal Abdulkadar

Issues in the Application

Many users seem to have a fear that a rejection might negatively impact their CIBIL score.

Technical and Process Issues

- Encountered technical errors (e.g., loading issues, not receiving OTPs).
- Application timed out or showed an error, causing users to drop off.

Language and Support Issues

- Users required customer support, possibly in a different language.

Credit Limit Concerns

- Customers wanted to know about the credit limit before completing the application.

Documentation Skepticism

- Users were thinking they might be asked for a salary slip
- A few users skeptical about entering their pan card details.

Other Issues

- **Unfamiliarity with the process:** Customers found the application process confusing or hard to understand.

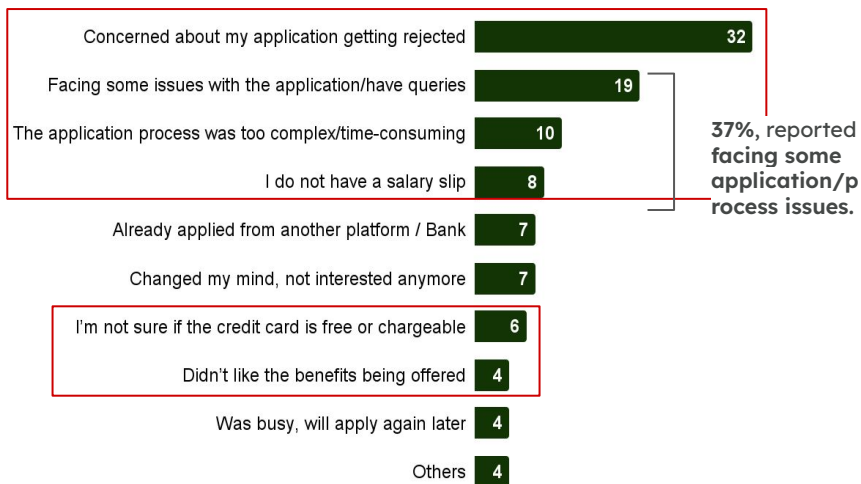

"I do not know how to complete the process I need customer care support to complete the application"

-KUNJAPPAN SRINIVASAN

- **Timing issues:** Customers were busy, on duty, or not in need of a credit card at that time.

Not submitted

Reasons for not submitting

Not Submitted Base: 130

Low CIBIL score/Chances of Rejection

"I submitted the application and provided my PAN details when called. However, they said my **I do not have a CIBIL score (zero)**. If this can't be resolved online, I will visit the branch."

-JYOSHNA MAJHI

Concerns About Charges

"I was **confused** about whether the credit card would have **charges or be free**, so I didn't complete the application. I was **concerned that completing it might involve fees**, which led me to abandon the process."

-Amit Maruti Kadam

Previous Rejection Concerns

"Almost a year ago, I **applied for an HDFC credit card** through an agent and received approval, but it was **suddenly rejected** during dispatch. As a water bottle distributor with all necessary documents such as GST, ITR, and tax records, **I was concerned that a similar situation might negatively impact my CIBIL score**, so I decided to leave the process"

-Samreen Fathima

Issues in submitting the Application

Ambiguity in filling the Application

"I am working as a clerk for a senior lawyer. In the **company name option**, I tried using the court's name, Sub Divisional Complex Court Sultanpur Lodhi, but I am unable to understand the process. The application is **asking for the correct designation.**" -Lovepreet Kumar

"I was confused about **whether to select 'employee' or 'student.'** I am actually a former employee and currently studying. I **selected 'student, but there was a technical error,** and I couldn't complete the process. I don't remember the exact issue." -Suraj Kumar Pandey

Documentation Issues

"I got a **call requesting my salary slip** and IT returns. Since I work as an accountant at a bookstall, I don't have a salary slip and **uploaded a salary certificate instead.** After that, I received an email and message stating that I should **arrange a salary slip within 45 days and reply.**" -Syed Adnan Sabeel

"I don't have a salary slip so I couldn't complete the process. I receive **my salary either in cash or through my bank account. MV provides loans based on bank statements, they could consider adding a similar option for credit cards, which would be helpful**" -Ranjana Baban Kale

Technical and Process Errors

Difficulties with specific application steps (e.g., Aadhaar verification, VKYC issues).

"I received a call from MoneyView **for VKYC**, where the executive put me on hold, saying it would take **2 minutes** to verify my details. However, **I ended up waiting for 1 hour.** I tried twice and waited both times, but when I tried the next day, it showed that the attempt time was over." -Madana Ram

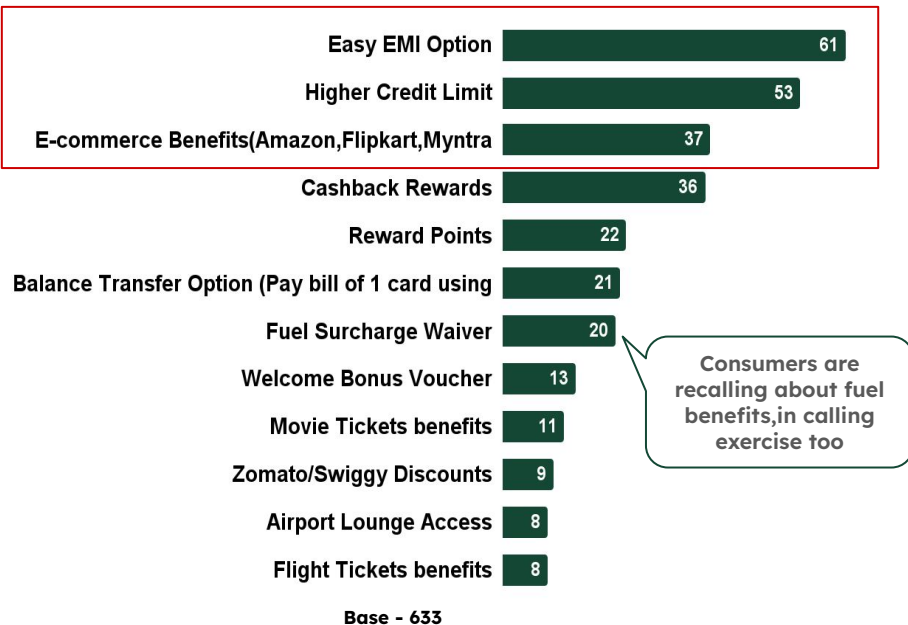

Verification Issues / Require Status Update

"I submitted the application and received a call from HDFC. A third-party representative came for biometric verification. They said I would receive the card in 12 days, but **it has been over 10 days, and I have not received any call or email.** There were no issues while sharing personal details, and I don't know who to contact for further assistance." -Sivakumar

"Aadhaar verification is done, but **I am still waiting for the VKYC link,** which I have not yet received." -MD FAREEZ

Key Features desired in a Credit Card

Higher Credit Limits

Higher limits ranging from **50k to 5 lakh** to provide more spending flexibility and accommodate larger purchases or emergencies.

Reward Points

Shopping and fuel, is a popular benefit, allowing users to redeem these points for goods, services, or other perks.

42%

58%

Contrary to HL/LAP, where only 7% mentioned this.

Consideration

86% of users are **interested** in obtaining an HDFC credit card through Moneyview.

Suggestions

Product & Design

Address Confusions and Concerns Upfront

Ensure users are aware that they are applying for a credit card and not a personal loan.

Use clear communication, step-by-step guidance and educational content to demystify the application process and allay concerns about fees and charges.

Technical Errors and System Issues

Implement robust error-handling processes and allow users to raise a ticket, if an error occurs. Follow up immediately, if the error persists.

Marketing

Promote Lifetime Free cards

Promote the lifetime free credit card, with a focused campaign targeting individuals earning 40K or more monthly income.

Promote Ease of Application And Benefits

Clearly communicate the document options early in the application process to prevent confusion and abandonment.

We must highlight the minimum credit limit, if eligible. Focus more on shopping benefits from E-commerce, fuel etc. Better reward points could be promoted.

Reinforce Trust and Credibility

Partnership with HDFC needs to be highlighted.

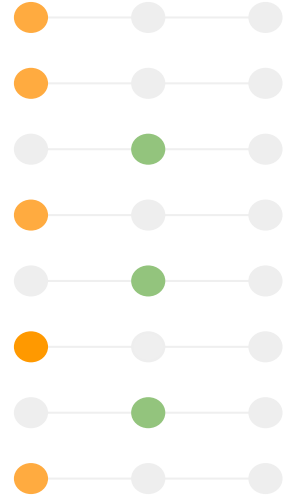

Emphasize data security and HDFC's reliability to build confidence among applicants.

Action Plan Progress

Product & Design

- **Provide educational content** to explain fees and charges, Step by step
- Implement **strong error-handling processes, like raising ticket**, provide immediate support
- **Joining Fee Waiver** need to be **highlighted** on **Landing Page**
- **Explore our Most Sold Cards** feature on the **Landing Page**
- **Highlight Rewards** on the page on the **Landing Page**
- **Add Logos of E Retailers (Amazon, Swiggy)**
- **Mention Maximum Credit Limit**
- **Apply Now** (Multiple Placements on the page) **instead of Check Eligibility**

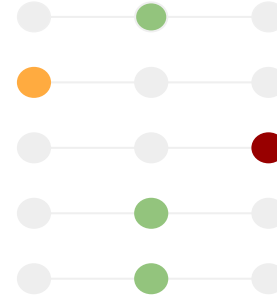

Action Plan Progress

Marketing

- **Promote the lifetime free credit card**
- Clearly communicate **document options** early to avoid confusion
- Highlight the **minimum credit limit** if eligible
- **Highlight the HDFC partnership** Emphasize data security and HDFC's reliability
- **Get CC in 4/5 steps** (Mention number of steps)
