

Drop off Surveys

All Stages

March 2024

Research Objectives

To understand the reasons why consumers are stuck/ reasons for drop off at the different stages on MoneyView app (Income verification, NACH, KYC, Form 2&3, Plan Selector and Personal information) and to improve the overall funnel.

Methodology

1. Online Surveys
2. Telephonic Surveys
3. We reached out to few consumers who filled the online surveys and conducted few qualitative interviews for few stages.

Target group / Sample Size

Those who did not proceed/ dropped off at different stages on MoneyView app

Sample Size: Online surveys + Telephonic

- NACH - 1426
- KYC - 314
- Form 2&3 - 1161
- Plan Selector - 531
- Income verification - 2154
- Personal information - 563

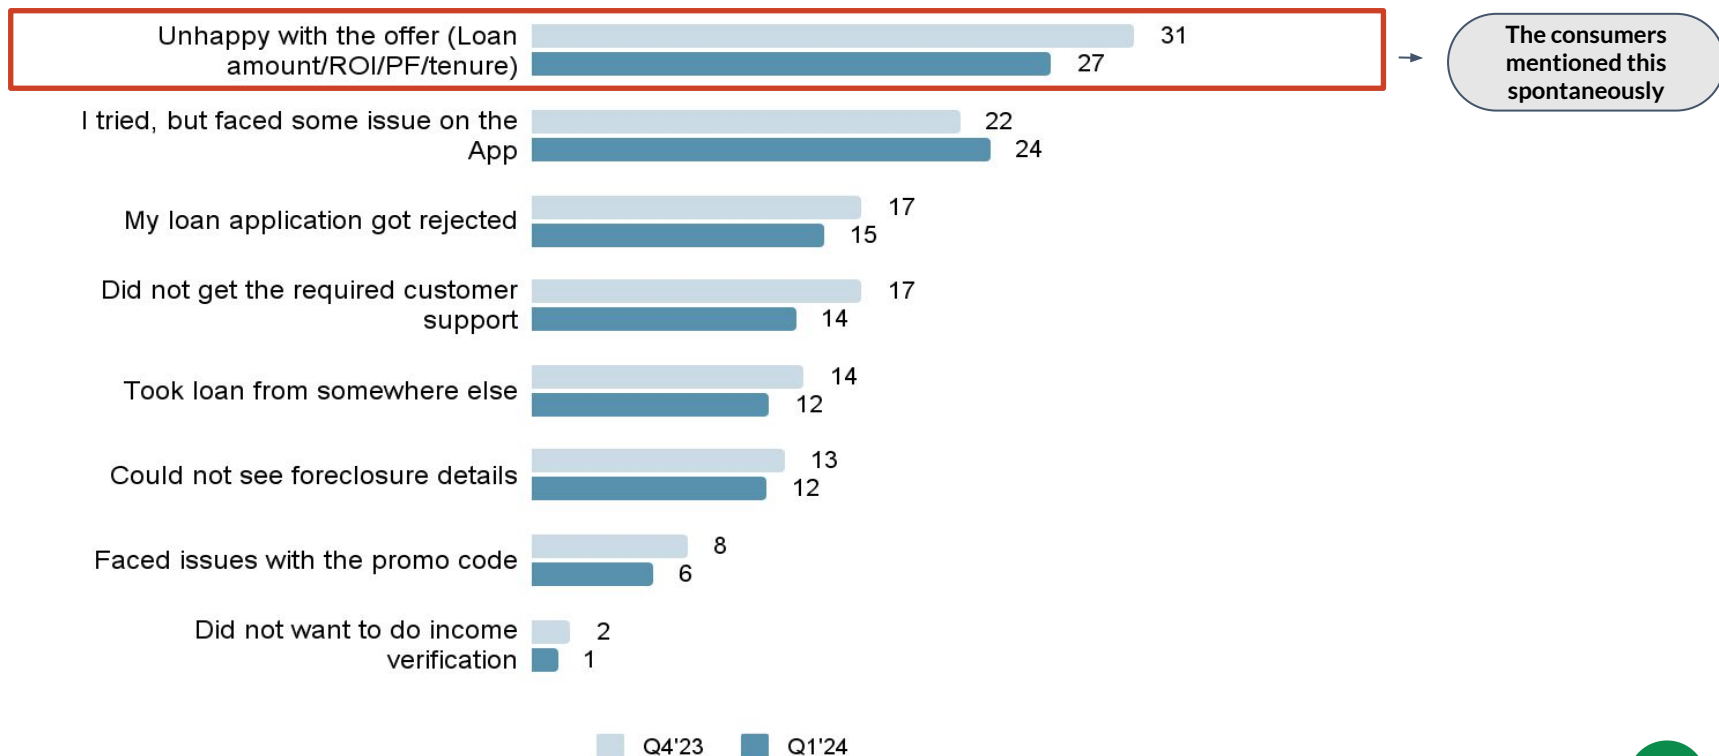

Plan Selector Drop Off survey findings

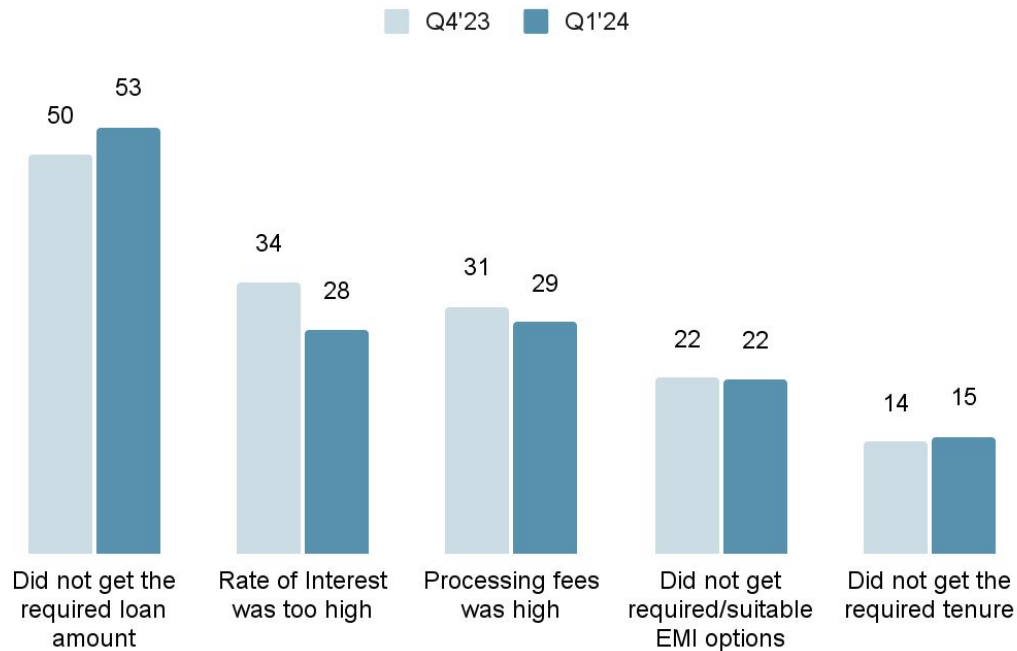

Jan-Mar 2024

Reasons for not completing loan application

Factors consumers did not like in the loan offer

Base - Q4'23 (552)
Base - Q1'24 (531)

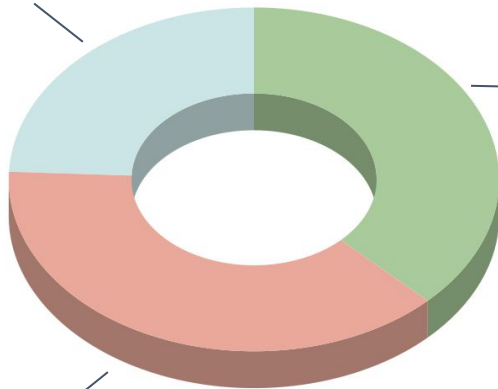

All the expressed values here are percentages.*

Satisfaction with the numbers of offer options given

Were you satisfied by the number of offers/options shown to you while selecting the offer?

Somewhat, it would have been better if there were a few more options (24%)

Yes, there were sufficient number of options (37%)

No, it was not sufficient (38%)

Overall (531)

The screenshot shows a mobile app interface for a loan offer. At the top, it says "Congratulations! You're eligible for a special loan offer" with a gift icon. Below this, it asks to "Choose the loan amount you need" and shows a slider set to ₹2,00,000, with a minimum of ₹10,000 and a maximum of ₹2,00,000. A table of loan options is shown, with the 36-month option highlighted. Below the table, it shows a processing fee of ₹1,076 and a link to a promocode. At the bottom, there is a "Confirm and proceed" button and a "Plan Selector" button.

Loan term	EMI (principal + interest)
36 months	₹8,797 (int: ₹650)
24 months	₹8,989 (int: ₹878)
18 months	₹9,298 (int: ₹1,024)

See 3 more

Processing fee: ₹1,076 [Have a promocode?](#)

By proceeding, I authorize <partner name>, moneyview & its [lending partners](#) to access my credit report and share my application details.

Note: The loan amount is only an indication and is subject to change.

Qual survey findings

Customer Issues

The offered loan amount was less

High Rate of Interest (ROI)

Need longer tenure

This also shows how people do calculations while taking loans

Insights, actions and improvements

Insights	Actions taken	Updates
Unhappy with the loan offer , including loan amount, ROI, PF, EMI options, and tenure <i>(Online Survey)</i>	- Conducted an experiment with "Super Prime customers," who were dissatisfied with high ROI or PF. - Offered them lower ROI (18%) compared to the average rate (22%) to this segment- - Aiming to gauge its impact on customer satisfaction.	<u>Q1'24 Performance:</u> - ROI: Decreased to 28% from 34% in Q4'23 - PF: Decreased to 29% from 31% in Q4'23 - EMI Option Issues: Static at 22%
No foreclosure option <i>(Online Survey)</i>	- Currently considering to increase the offer by 10k/15k and ask whether the user will be satisfied to accept it. - The offer will be increased by 50K for prime customers	This remains stable
Did not get required customer support <i>(Online Survey)</i>	-	Slight decrease seen here- from 17% to 14% in Q1'24
A significant portion (63%) of users expressed dissatisfaction with the number of options available during the plan selector stage <i>(Online Survey)</i>	Conducted an experiment with a specific the customer set, but it had no effect.	The issue is still persisting with 62% of users remain dissatisfied with offer options

Not getting cash option in salary mode selection

Confusions while entering annual Family Income

Application rejected at reapplication

Insights, actions and improvements

Insights	Actions taken	Updates
Difficulty in understanding questions/options in the form- <i>(Online Survey)</i>	Can't make any changes here except to provide options in vernacular language .	The issue has been slightly decreased from 16% to 13% quarter-on-quarter.
Redirecting to the start of the application while entering email ID/phone number- <i>(Online Survey)</i>	Redirected users back to the form instead of the start of the application , leading to a 10% increase in registrations. However, this was stopped due to an increase in SMS costs.	The issue has been increased from 30% to 37% quarter-on-quarter.
Error: PAN Card already in use - <i>(Qual Survey)</i>	Prepared screens to address the issue , though it was considered low priority.	-
Confusion regarding filling information for both salaried/self-employed or currently not working individuals- <i>(Online Survey)</i>	No action taken	The issue has been decreased this time .
Difficulty in calculating monthly/annual family income and uncertainty about who all to include- <i>(Online Survey)</i>	An additional study was conducted to understand how people calculate annual income .	The issue has been decreased this time .
Complaints of receiving a lesser amount than the loan amount (after deduction of PF)- <i>(Qual Survey)</i>	Higher loan amount will be displayed (amount taken + PF deduction) , ensuring users are aware of the total loan amount.	-

Reasons for not completing Loan Application

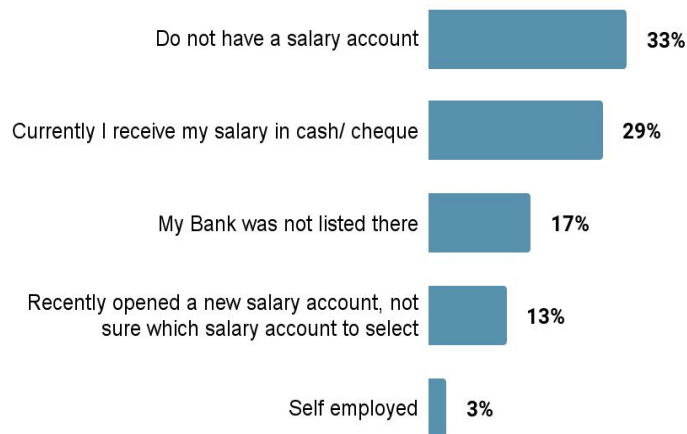

What were the reasons for not completing your application with moneyview?	Overall (2154)
<i>Issues with ROI/ Processing fees/ Loan amount/ Offer</i>	66%
Needed a longer tenure/ higher loan amount	37%
Rate of interest/processing fee was too high	24%
Did not get required/suitable EMI options	17%
Took loan/Got better offer from somewhere else	14%
<i>Tried but faced issues/Tech Issues</i>	29%
Faced issue while verifying my income	14%
I tried, but faced some issue on the App	18%
<i>Others</i>	31%
The process was very slow/time consuming	13%
Did not want to do income verification	12%
Did not get the required customer support	11%

Last time, the top reasons for not completing loan application were-

- **Issues with ROI/ Processing fees/ Loan amount/ Offer**
- **Faced issues at IV stage**
- **Low Intent (do not require loan currently/ did not get time to complete the loan application)**

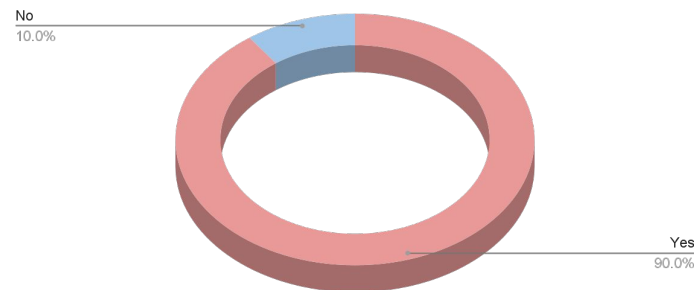

Issues faced while selecting bank account

Overall
(1692)

**Offer related issues were not considered*

Will you consider taking loan from moneyview in future?

Recap

- **Key concerns/ issues** faced at different stages in Income verification:-

Issues faced at BS upload:

- Getting error message: use another bank, file not found, bank statement incorrect, etc.
- Asking to upload BS again and again
- Blank page after uploading statement/ Page not loading
- Get salary in cash

Issues faced at net banking:

- Page not loading/ server issues
- Forgot credentials
- Issues receiving OTP/ OTP error
- Captcha error/ mobile no. not linked to bank account
- No net banking in salary account
- Amongst those who tried completing the step using net banking, only ~1 out of 2 consumers succeed, others couldn't due to technical/ server issues and error faced.

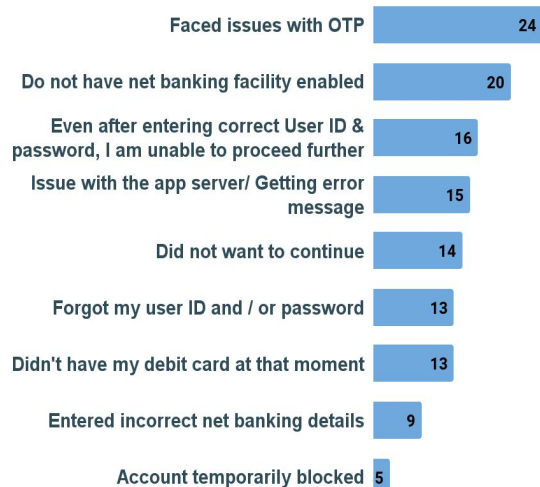

Issues faced at Anumati:

- Page not loading/ stuck/ server issues/ long processing time
- Did not receive OTP / OTP verification option blocked / OTP error
- Unable to understand the option / no customer support

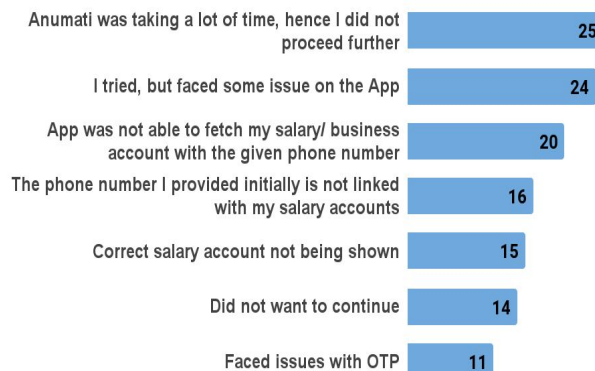

Net banking

Base - Q1'24 (190)

Qual survey findings

Digilocker option not functioning despite correct detail entry

Digilocker option not functioning despite correct detail entry

Paperless option fails to deliver OTP

Issue with Captcha

Insights, actions and improvements

Insights	Actions taken	Updates
Blank page issue after entering OTP during the KYC process. (Qual Survey)	The problem on the UIDAI site can't be resolved . Consumers are notified that KYC is unavailable and they might face issues if they attempt it.	-
Mismatch between phone numbers entered in the loan app and the one linked to Aadhar. (Online Survey)	This issue cannot be resolved - a technical issue - customer is asked to enter the phone number linked to Aadhar.	- Paperless attempts without a linked phone number dropped from 42% to 30% in Q1'24. - Digilocker attempts without a linked phone number decreased from 36% to 28% in Q1'24.
Issue with Captcha - not familiar with captcha and was unable to accurately identify the characters. (Online Survey)	Cannot resolve - technical issue	Faced issues with Captcha increased from 13% to 21% in Q1'24
Faced issues with OTP while verifying KYC via paperless/ digilocker. (Online Survey)	Cannot resolve - technical issue	No major changes
Faced issue creating four- digit share code while verifying KYC via Paperless (e-KYC)/ Aadhar. (Online Survey)	This has already been communicated on the app screen, through messages/videos , etc.	The issue of four-digit share code increased from 12% to 15% in Q1'24

1. Issues related to process/ tech/ Customer service can be improved.
2. Consumers facing server issues at both paperless and digilocker.
3. Giving an option to enter Aadhar linked number could help
4. Creating a share code also found to be difficult. Messaging could be simplified.

NACH Drop Off survey findings

Jan-Mar 2024

Recap

- **Reasons for not completing loan applications** include reluctance to opt for Auto-EMI deduction (35%), due to issues faced(27%), and a need for longer tenures/higher loan amounts (19%) or did not get suitable EMI options (16%).
- **Key concerns/ issues** faced at different stages in NACH:-

Issues faced at ATM/Debit card:

- Getting some error, unable to proceed (22%)
- Did not want to share ATM/Debit card details (20%)
- Do not have a debit card/ Lost my debit card (20%)
- Didn't have debit card handy (18%)

Issues faced at Net Banking:

- Did not have a net banking facility enabled (24%)
- Did not have net banking User ID and password (20%)
- Did not want to share net banking details (14%)
- Did not want to continue (14%)

Reasons for not completing Loan Application

What were the reasons for not completing your application with moneyview?	Overall (1426)
[Net] Issue with the process/ tech issues	36%
I tried, but faced some issue on the App	17%
The process was very slow/time consuming	6%
Did not get the required customer support	6%
Sent an email for P-NACH but did not get any response	6%
Don't have flexibility to pay EMIs on a day of my choice	4%
Do not have ATM/Debit card and Net Banking	24%
[Net] Issues with ROI/ Processing fees/ Loan amount/ Offer	22%
Needed a longer tenure/ higher loan amount	8%
Rate of interest/processing fee was too high	7%
Did not get required/suitable EMI options	4%
Took a loan/Got better offer from somewhere else	4%
Did not want to opt for Auto-EMI deduct features	19%
Want to change my bank account for NACH	17%

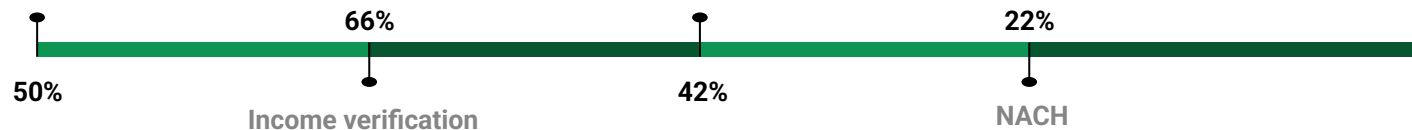

Last time, the top reasons for not completing loan application were-

- Issues with the process/ tech issues
- Issues with ROI/ Processing fees/ Loan amount/ Offer
- Low Intent- Did not want to opt for Auto EMI debit feature

Issues related to **ROI/ PF/ Loan amount/ Offer** are lesser as consumers reach **NACH stage**, compared to other stages

Invalid debit card details

Invalid debit card details

Unable to proceed after clicking 'Enable Now'

EMI auto-debit failed. Please try again

Unable to proceed after entering correct net banking credentials

Bank name is not listed in dropdown list

Connection timed out. Please try again

Insights, actions and improvements

Insights	Actions taken	Updates
Unable to make payments on prior dates. In case of payment made, the money is again deducted on the auto-debit date <i>(Qual Survey)</i>	- Implemented auto-debit for payments made between the 21st of the previous month and the 3rd of the next, with retries on T+4 days. - Manual payments allowed on the 5th and 6th to prevent double deductions. - Clear communication provided regarding overpaid amounts adjusted to next month's EMI with refunds processed for MV app, while partner transfer refunds need customers to raise tickets.	Fewer users express that they don't have flexibility to make manual payments on prior dates - not a major issue.
CIBIL was impacted despite all payments being completed as the loan remained active <i>(Qual Survey)</i>	Implemented a CIBIL correction flow on chatbot. Actions taken upon customer communication through email or chatbot, with resolution promised within a month.	-
E-Mandate authorization failed with the error message " Insufficient balance " <i>(Qual Survey)</i>	Done via Jarvis for addressing issues specifically concerning a small segment of customers (SBI and BOB).	- ATM/Debit card: Insufficient balance decreased from 8% in Q4'23 to 5% - Net Banking: Insufficient balance remained steady at 9% compared to Q4'23
Unable to change/update their bank account <i>(Online Survey)</i>	Displaying a message indicating you can't change your bank account later.	- Similar issues recurred with 17% individuals want to update their bank account

Insights, actions and improvements

Insights	Actions taken	Updates
Unable to proceed, even after entering the correct user ID and password (Online Survey)	Cannot resolve - technical issue (platform level issues form bank/NPCI site)	The issue has been decreased from 10% to 7% quarter-on-quarter.
Facing blank page issue after selecting the option (ATM/ Net banking) (Qual Survey)	Resolved	-
Unable to proceed from the "Login via debit card" screen - getting error (Qual Survey)	Cannot resolve - technical issue - up to the bank/NPCI.	-
EMI auto-debit failed. Please try again error (Qual Survey)	-Initially, the team made changes where the mandate amount varied for each attempt. -To address customer confusion, it has been planned to adjust mandate end date.	-Similar issues recurred with 16% observed in ATM/Debit card attempts and 17% in Net banking attempts.
Faced issue at PNACH step (Qual Survey)	Discussed with operations to improve PNACH process	Similar issues recurred with 6% individuals faced issue with PNACH

Summary

Income Verification

Top reasons for not completing loan applications include - **66% faced issues with ROI/ Processing fees/ Loan amount/ Offer**, **29% faced issues at IV stage /tech issues**

Issues faced at Income verification stage

- **Issue in uploading Bank statement**
- **Anumati option was not working/ Tech/ Server**
- **Faced issue with OTP in net banking**

NACH drop off

Top reasons for not completing loan applications include **issue with process/ tech issues (36%)**, **do not have ATM/debit card and net banking (24%)**,

Major issues with ATM/Debit Card Option include **do not have debit card/ lost debit card (20%)** and shows **"Auto debit failed" error without entering credentials (16%)**.

Challenges in the Netbanking Option involved

- **Lack of net banking (22%)**
- **Login credentials (17%)**

KYC drop off

Top reasons for not completing loan application- **Faced issues in the KYC process(33%)**, **needed a longer tenure/ higher loan amount (22%)**

Major issues faced at e-KYC included

- **Mobile number not linked to aadhar (30%)**
- **Faced issues with OTP (27%)**

Challenges at digilocker were

- **Mobile number not linked to aadhar (28%)**
- **Faced issues with OTP (28%)**

Summary

Form 2&3 drop off

Top reasons for not completing loan applications include - **33% needed longer tenures/higher loan amounts** and **32% faced some issue in the app**

Top Issues with Salaried:

- **PAN is already in use/ unable to update PAN details**
- **Intent issue- did not want to continue**

Top Issues with Self-employed:

- **Did not have address proof of the company**
- **People not comfortable sharing annual turnover**

Both salaried and self employed consumers felt a lot of information is being asked.

Plan Selector drop off

Reasons for not completing loan application include - **27% unhappy with the offer (loan amount/ROI/PF/tenure)**, **24% tried but faced some issue on the app**

Key factors for not liking the loan offer:

- **Did not get required loan amount**
- **ROI and processing fee was too high**
- **Did not get the required/suitable EMI options**

Personal Information drop off

Reasons for not completing loan application include - **Faced issue on the app (29%), just wanted to check the process/offer (20%)**

Concerns while filling personal information

- **Confusion as what employment detail to fill as they were both salaried and self-employed**
- **Not comfortable sharing monthly/annual family income**

Concerns while adding email ID/ phone no.

- **User was directing to the start of application**
- **User faced issues with OTP**

Report ends.
